

Stockbridge

Opti-myst® Electric Stove

OS2527GB

It's not gas. **It's Better.™**

The Stockbridge Electric Stove sets the stage perfectly for the revolutionary Opti-myst flame and smoke effect. From the high gloss finish to the working doors, the authentic details combine with dazzling water mist flames to create an eye-catching focal point in any room. The ideal alternative to gas or wood, the Stockbridge offers incredible realism without the costly installation or safety concerns of traditional stoves.
